# Helping Your Daughter to Grow Up Well

The Personalised Digital Learning programme aims to:

- **Enhance Teaching and Learning**

PLDs harness technology for greater effectiveness in teaching and learning, enabled by teachers' use of e-Pedagogy to provide learning experiences for students

- **Support Self-Directed and Collaborative Learning**

PLDs enable students to learn online according to their needs and interests and to collaborate with each other, anytime and anywhere

- **Support the Development of Digital Competencies**

PLDs provide an immersive environment for students to develop the dispositions, knowledge and skills to thrive in the digital environment.

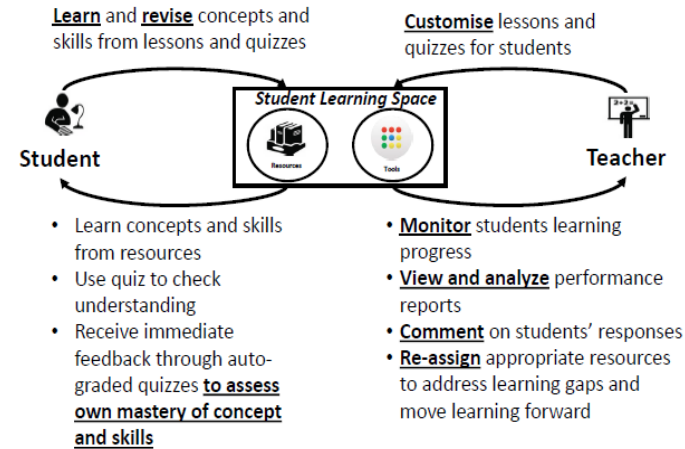

**School's prescribed PLD:
